GRIDMEN SWAMP BLUE RIDGE TEAM BY 40 TO 3 SCORE

Coach Crum's Hatchetmen Gain At Will in Defeating Maryland Eleven

FIELD GOAL IS VISITORS' LONE SCORING EFFORT

Slaughters Does Best Work For Red and White Eleven; First-cuffs Mar Battle

Bewildering their opponents with a versatile attack, the gridmen of George Washington University ran wild against the Blue Ridge College eleven last Saturday at the Wilson Memorial Stadium. The score was 40 to 3.

The visitors, although completely outclassed, put up a wonderful defensive game. Try as they might, they could not stop the vicious rushes of the Crumites, who scored six touchdowns. Three of these came in the last quarter.

A near flat-battle which threatened to involve both teams marred the third period, but timely intervention of the officials staved off hostilities and both elevens resumed more orthodox grid tactics.

Slaughters, playing quarter, was the best bet of the Marylanders. He scored the lone Blue Ridge marker by a beautiful dropkick from the 33-yard line in the third stanza. In addition to this he was the mainstay of the Red and White defense.

The Hatchettes chalked up a total of 28 first downs as compared with 7 for the Collegians. They completed 8 out of 16 forward passes for a net gain of 220 yards, while the Marylanders completed 3 out of 10 heaves, gaining 57 yards thereby.

Led by their dodging, twisting captain the Crumites lost little time in scoring. Sapp and Stehman brought the oval to the 6-yard line, from which point Stehman crashed off tackle for the initial tally. His try for the extra point was wide.

JOHN VAN DRUTEN TO LECTURE TOMORROW

Is First Speaker of Dramatic Association; Professor Gilmor of Tufts Next

The first of a series of lectures under the auspices of the Dramatic Association will be held tomorrow night in Corcoran Hall when John Van Druten, famous young English playwright and author of the stage success entitled "Young Woodley," starring Glenn Hunter, to play next week at the National Theater, will address the Association and its guests on "Making the Play."

Mr. Van Druten has only been in America a short time, but since coming to this country has given lectures at the University of Pennsylvania, Goucher College, and Johns Hopkins University besides to audiences in Atlantic City and Philadelphia.

Invitations Out

Invitations for the lecture, have been sent to local dramatic clubs and a large audience is expected to hear the speaker.

The next speaker on the program of the Dramatic Association is Professor Gilmor of Tufts College, internationally famous as a lecturer and a student of the drama, particularly of European drama. Professor Gilmor will present a series of three lectures on subjects yet to be announced.

Women's Glee Club Plans Active Season

Estelle Wentworth Again Named Director; Singers to Meet Every Monday

The Women's Glee Club will again have as its director Miss Estelle Wentworth, prominent in musical circles in Washington. The club is looking forward this year to a busy season, including a number of concerts in Corcoran Hall, the dates of which will be announced at a later time.

According to present plans the Glee Club will follow approximately the same program as that of the 1925-26 season. Its regular meetings will be held in Corcoran Hall, Room 1, every Monday from 12.45 to 1.45. The chorus will be divided into four parts, ranging from high soprano to low alto. Tryouts for places will continue for several weeks, and low altos are especially urged to report.

POETRY CLUB TO HOLD AMY LOWELL MEETING

The Modern Poetry Club held its first meeting of the school year in Building 14, on Tuesday afternoon, and the program for the coming year was discussed. Their next meeting on October 18 will be devoted to a discussion of the life and works of Amy Lowell.

Bishop of London

British Prelate who is to lecture at Memorial Continental Hall on the evening of October 29, under the joint auspices of George Washington University, Maryland University, and American University. Tickets may be obtained through the Registrar's office of the Arts and Sciences Department.

MEN'S G. W. CLUB NAMES OFFICERS

Harold M. Young Elected President for Coming Year; Other Officers Picked

DISCUSS PLANS FOR HOP

Special Features Promised for Football Dance; Inter-Class Meet Looms Successful

With Harold M. Young unanimously elected their president for the coming year, the Men's G. W. Club favorably received a committee suggestion for the purchase of two athletic-record boards as gymnasium equipment, tentatively decided on December 3 for the Football Hop, and discussed plans for the 1927 Interclass Track and Field Meet, at their first meeting of the year in Lisner Hall Friday evening.

Ornamental boards displaying records of University, interclass and intercollegiate athletic events would be placed prominently in the gymnasium, according to a recommendation in the report of the athletic-equipment committee of the club.

The committee, consisting of Hilroy A. Tolson, chairman, Clay Espey and Harold M. Young, which was appointed last year, reported that Coach Crum was completely in accord with their plans. Coach Crum has given the Men's G. W. Club full control of the prospective purchase, according to the committee.

Officers Elected
Election of officers of the Club for the year 1926-27 resulted as follows: Harold M. Young, president; Vernon L. Brown, vice president; F. N. Strawbridge, secretary; Edwin S. Bettelheim, Jr., treasurer.

Hilroy A. Tolson, president of the Club since its founding, refused re-nomination as president. After Tolson's declination, Vernon L. Brown was nominated. He, however, also withdrew in favor of Young, who was then unanimously chosen to pilot the Club through this year.

The Football Hop, an annual event conducted by the Club in honor of the football team and its coach, will be held Friday evening, December 3, provided the date set does not conflict with some other important official function of the University, the Club decided.

To Present Letters

The Hop will be featured by special attractions to be determined later, according to Club plans. The gymnasium will probably be used for the dance, which will be from 10 to 1 o'clock. Present plans include presentation of letters and sweaters to members of the football team, and speeches by President Lewis, Coach "Maud" Crum, and Captain Sapp.

The annual Interclass Track and Field Meet this spring will be more successful than ever before, the club agreed, since its treasury funds are ample. The meet will be conducted as usual this year by the club which will defray all expenses. The cost of the athletic-record boards will be limited to \$100, an amount decided on by the club last year. Two of them are planned at present; one will record the individual men point winners of interclass meets, the other the women individual point winners. Both will carry class scores. More boards are to be added later which will show intercollegiate scores.

President Young of the club has won his G. W. in tennis; Brown, in basketball (2); Strawbridge, in rifle; and Bettelheim, in basketball (4).

The Men's G. W. Club now carries 79 letter men on its roll, 40 of whom are active.

DEGREES GIVEN CANDIDATES AT MONDAY CHAPEL

Revert to Former Custom When Fall Convocation is Abolished

ONE DEGREE GIVEN WITH "DISTINCTION"

President Lewis Makes Brief Address To the Graduates at Informal Exercises

Reverting to a former custom, and in place of the Fall Convocation which has been held for the last ten years, degrees were conferred Monday at the regular assembly on those students who had completed the work required for the various degrees, and who desired not to wait until the mid-winter Convocation in February. There was no formal conferment of the degrees.

The President and the Deans of the various colleges assembled in the Council Room in academic dress, and proceeded into Room 1 at the opening of the chapel exercises. After a brief address by the President, the Deans announced the recipients of degrees from their departments.

One student in the Department of Arts and Sciences was awarded the coveted honor "with distinction," Mrs. Minnie Madison Ronning, from Columbia College.

Deans Present Candidates

The degree of Master of Arts was conferred upon the following: Norman Theodore Anderson, William Leslie Bales, Mary M. Box, Paul Eugene Gropp, Anna G. Hedrick, Brigid G. Villalon. Robert Alden Webster received the degree of Master of Science. Dean Wilbur presented the following: Paul C. Albus, Frances Cooley Bell, Mary Elizabeth Blehn, Margaret Eugenia Buchsteiner, Mary Louise Chace, John Paul Collins, William D. Dyke, Frances Dearing Fauntleroy, Murray Marion Flack, Francis Elmer Gilroy, Harry Samuel Goldstein, George S. Herr, Guy L. Hottel, Stuart S. Kingsbury, Leon Katz, Olive C. Kinney, Edward Stone-street Lamar, Richard K. McPherson, Minnie Madison Ronning (with distinction), Samuel Shapiro, John Adams Sowers, and Mary Virginia Watkins.

For the degree of Bachelor of Arts and the Diploma in Education, Dean Ruediger presented Samuel B. Bayle, Gertrude Elisabeth Burt, Helen G. Gantley, Josephine Hart Ryan.

Seventeen Law Degrees

The name of Phil L. Rodier was presented by Dean Lapham to receive the degree of Bachelor of Science in Mechanical Engineering.

Dean Van Vleck of the Law School, presented the following to receive the degree of Master of Laws: Harold P. Curtis and Rollin Howard Transue; to receive the degree of Bachelor of Laws, Paul Russell Ames, Roy Percy Anderson, George Elmer Brown, Allen Randall Cozier, Edwin Oliver Daut, Howard Throp Gordon, Robert Leon Kahn, William Wallace McBride, Aquilla Nebeke, Roy Rife Priest, Charles Mulford Palmer, Grace Mae Ruth, James William Sommerlath, Ralph Linwood Walker and Samuel Wolfe.

Dean Borden of the Medical School presented Stanley John Skarzynski as a candidate for the degree of Doctor of Medicine.

SENIOR ENGINEERS HOLD ELECTION OF OFFICERS

Officers for the year were elected at a meeting of the Senior Class of Engineering College held in Building 4, Room 21, last Wednesday night. About twenty-five men were present, an unusually large group for that class.

The new officers are Henry H. James, President; Joseph Gray, Vice President; William Bigelow, Secretary; Charles Proudley, Treasurer; and Edgar Seaquist, Sergeant-at-Arms.

Freshmen Form Society to Protect Their Poor Persecuted Classmates

Safety Pin Is Insignia of Members of Newly Organized and Very Mysterious Organization. Virgil Gallotti Gets Threatened and Causes Formation of His Classmates Into Body

"Freshmen, Beware the Blue Key," posted in large letters in and on almost every visible place on the campus has ceased to inspire the class of '30 with the fear and awe it was intended to impart. It seems that Virgil Gallotti received numerous threats that his hair was going to be subjected to shears in the hands of some noble sophomore and his husky associates organized immediately to save him from this dire fate.

The result of this organization is "The Freshmen Protection Society," its members firmly resolved to stick together "till death do us part." The distinguishing symbol of this society

CORNELL CO-EDS TO DEBATE G. W. WOMEN ORATORS

November 19 is Set as Date For Opening Debate of Season

TRYOUTS FOR TEAM TO BE HELD WEDNESDAY

Arrangements are Pending For Debates With Ohio Wesleyan And Washington U.

The Women's Debate Team of George Washington University will meet Cornell University in a debate to be held on the evening of November 19th.

Tryouts for the team will take place on October 27th at 8 o'clock in Stockton Hall, Room 1. Candidates should be prepared to deliver a five minute speech on the negative side of the following question: "Resolved, That the educational system of the United States should be controlled by the national government."

The successful candidates at this tryout will represent the University in the Cornell debate, the subject of which will be the same as that used at the tryout.

Other Debates Scheduled

With two National Oratorical Contest winners among the aspirants for the team, prospects for a good squad look bright. Ruth Newburn, who won second place in the contest in 1924, and Myrtle Posey, who carried off second place this year, are among those who will try out for the team.

George L. Farnham, head of the new Public Speaking Department of the University, will coach the team.

Arrangements are now being made to debate at Ohio Wesleyan University in the Spring. Plans to schedule debates with Albion College, Michigan, and Washington University, St. Louis, are also pending.

All women students interested in debate are urged to be present at the tryouts next Wednesday night.

JULIUS GARFINKEL NAMED AS TRUSTEE

Leader in Civic and Business Activities of Washington Elected To Board

Julius Garfinkel, head of a local department store, was elected a member of the Board of Trustees at the opening meeting held Wednesday, October 13. Plans for the operation and extension of the University's various activities were generally discussed at the same meeting.

Mr. Garfinkel has been a leader in many activities other than his merchandising work since coming to Washington in 1898. His store, which carries only women's apparel, is considered one of Washington's most exclusive. The new trustee is a director of the Washington Railway and Electric Company, Potomac Electric Power Company, and Riggs National Bank. He is a member of the Board of Trade, Merchants and Manufacturers Association, Chamber of Commerce, Unitarian Church, Masonic Order, Columbia Country Club, Congressional Country Club, Racquet Club and Columbian Historical Society.

PARTY WILL BE GIVEN FOR DORMITORY GIRLS

Dr. Mina Denton, Professor of Home Economics, will give a party on October 26th for the girls in the new G. W. U. dormitories and those girls living in approved houses. The party will take place in the living room of the dormitory.

Student government is to be inaugurated at George Washington by the dormitory girls. Rules for hours and general regulations will be drawn up by the girls and will be enforced by them.

One double room is still available and there may be one single room. Girls desiring admission to the dormitory should see Dean Rose.

Glenn Hunter

Popular juvenile star who will speak at the Assembly on Monday, October 25.

WEDDELL PRIZE CONTEST OPENS

Award of \$250 Offered for Best Essay on International Peace Promotion

HILL HEADS COMMITTEE

Essays to be Judged for Research, Accuracy, Originality and Clearness

The Alexander Wilbourn Weddell prize for the best peace essay will again be offered, according to an announcement recently made by Dr. Charles E. Hill, chairman of the committee in charge of awarding the prize. This prize consists of an award of \$250 to that student registered in George Washington University who submits the best essay of not less than 5,000 words on "The Promotion of Peace Among the Nations of the World."

The amount is derived from a fund established by Mrs. Virginia Chase Weddell, offered annually, although the committee reserves the right to withhold its award if no essay attaining the required degree of excellence is submitted.

Any student desiring to compete for the Weddell prize should get in touch with Dr. Charles E. Hill, Professor of Political Science, and arrange with him the matter of entering the contest.

Topics Suggested

In reaching a decision, the committee, composed of Professor Charles E. Hill (chairman), Dr. Oscar B. Hunter and Professor Charles C. Collier, will consider research, accuracy and originality, together with clearness of expression and literary form. The essays are to include a table of contents, footnotes and a complete bibliography.

The topics suggested for the 1926-27 essay are: 1. The Congress of Vienna; 2. The Attitude of the United States Toward the Treaty of Versailles; 3. What Has the Permanent Court of International Justice Accomplished?; 4. The Work of the Council of the League of Nations; 5. The Tacna-Arica Dispute; 6. The Government of the Philippines; 7. Extraterritorial Jurisdiction in China.

The topics may be modified with the approval of the chairman of the committee in charge of the award.

LEWIS MAKES SPEAKING TOUR IN MIDDLE WEST

Dr. William Mather Lewis, President of George Washington University, is now on a speaking trip in the Middle West. Yesterday he spoke at Ann Arbor, Michigan, before the Michigan State Federation of Women's Clubs.

Tomorrow he will be in Indianapolis, Indiana, where he will address the Indiana State Teachers' Association. Friday President Lewis will be in Pittsburgh to deliver an address to the Teachers' Institute of that city.

CHERRY TREE BOARD OFFICERS ELECTED

At a meeting of the new Cherry Tree Board held Wednesday night, Robert Stearns was elected Editor-in-Chief, Rowland Lyon, Business Manager, and Jeanne Gravatte, Secretary of the board for the coming year.

Two new members are to be added to the board according to Prof. Doyle, Chairman of the Publications Council. At the Monday night meeting plans were discussed for the new year book and a date set for the next meeting.

SOPHS-FROSH TO SETTLE RIVALRY WITH TUG O' WAR

Ancient Method to be Employed in Deciding Age-Old Struggle Between Classes

WEST POTOMAC PARK TO BE SCENE OF CONFLICT

Prominent Newspaperman to Referee Battle; Outcome Will Determine Status of Frosh Regulations

The much-mooted and hotly contested question of Sophomore-Freshman ascendancy will be finally decided tomorrow afternoon when two picked teams of 25 men each, representing the rival classes, resort to the time-honored "tug o' war" as a means of settling their differences, once and for all.

Everything is in readiness for the coming battle. A stout one-inch manila hawser has been procured, and a regulation fire hose will be set so as to direct its stream between the two groups of contestants, assuring an extremely damp journey for the losing side on its way to defeat.

The conflict will get under way exactly at 4 p. m. tomorrow on the wide cinder road just south of the Lincoln Memorial reflecting pool. The scene of battle can best be reached by going south on 17th Street to the John Paul Jones monument. Members of the Blue Key will be on hand to direct the crowds of spectators to the arena.

Student Committee in Charge

A committee composed of three upper-classmen, three sophomores, and three freshmen is handling the details of the affair, and no effort has been spared to insure its success. The names of the committee members are as follows: Upper-classmen, Henry James, Bill Quorton, Campbell Starr; Sophomores, J. Klatzkin, E. Carricko, George Sims; Freshmen, Wineland, McQueen, F. Young. The committee is acting under the advice of Prof. H. G. Doyle.

(Continued on page 4.)

GRADS MEET TO PLAN FOR ENDOWMENT FUND

Work to be Carried Forward By Succeeding Senior Classes

The Board of Administrators of the Graduate Endowment Fund met last Friday night to perfect plans for the perpetuation of this fund instituted last June by the class of 1926. According to the resolution presented to President Lewis, class night, the plan provides for a permanent self-sustaining endowment to be carried forward each year by the Senior classes of the University.

At the meeting Friday night a report was given by the chairman of the work done during the summer. The board expressed gratification for the work done by Prof. Arthur F. Johnson, '15, and Gilbert Ludwig, president of the 1926 class of the College of Engineering, to whose efforts was largely due the prompt and enthusiastic response with which this movement met at its inception last spring.

The present Board of Administrators consists of Prof. Arthur F. Johnson, '15, chairman, Evelyn W. Jones, '21, Dorothy Dougherty, '26, Gilbert K. Ludwig, '26, and Henry H. James, '27.

Nominations Made For Sophomore Officers

Ballot Boxes to be Opened on Friday And Saturday Mornings For Voting

The nominating caucus of the Sophomore Class took place in Corcoran Hall 29 Thursday evening, October 14, at 7.30.

Those nominated for the office of President are W. M. Alewine, James Bradley, and Kenneth Smoot. The nominees for Vice President are Charles Maze and Elizabeth Wright. Curran, de Bruier, Betty Kilbourne, and "Buddy" Somerville were nominated for Treasurer. For Secretary Marjorie Bowman and Virginia May were nominated. Julia Denning and Dan Eberly were nominated for Sergeant at Arms.

The ballot boxes will be open from 9 to 12 and from 5 to 7 on Friday, October 22, and from 9 to 12 on Saturday, October 23. All students with credits ranging between 28 and 48 are eligible to vote for officers of the Sophomore Class.

The nominees for office have agreed to bear the expense of the ballots collectively.

DEUTSCHE VEREIN TO MEET

Der Deutsche Verein will hold the first meeting of the year on Wednesday, October 20, at 7 o'clock, at Corcoran Hall 22. All interested are invited to be present.

GETTING OUT THE VOTE

With the approach of the November elections in the various parts of the United States the newspapers of the country are filled with editorials on getting out the voters of the various communities which they serve. Long lines of statistics are printed showing the number of eligible voters and the manner in which the machine politician may control the elections because of the "stay at home" portion of the voters.

The same proposition faces the students of this University in the coming class elections. There have been varied and sundry complaints in years gone by about the way in which the elections have been controlled by various factions. With the ballot box method of election assured, in so far as Columbian College is concerned at least, there is now provided ample opportunity for every student of the University to express an opinion.

Class lines will be strictly adhered to and no student will be allowed to vote in the wrong election. Find out your class standing by comparing the number of hours of credit you have with the following: Freshman, less than 24; Sophomore, between 24 and 48 hours credit, inclusive; Juniors between 48 and 90 hours credit; Senior, 90 hours or more. Announcement of the elections and the nominating caucuses will be found from time to time in the Hatchet. Show your interest in your class and your University by coming out and voting.

SCHOOL SPIRIT VS. HORSEPLAY

The Hatchet admires school spirit; nay, it fosters it. But the time has come when some distinction should be made between school spirit and horseplay.

The rowdy affair between Freshmen and Sophomores which occurred in Corcoran Hall last Friday during the Chapel services belongs to the latter category. The interruption of the exercises at which a visiting minister was talking, and the injury of an innocent bystander were deplorable and inexcusable.

The Freshman needs chastening. But let him be chastened in the wide open spaces where the noise of battle will not disturb. The Sophomore's responsibility is not only to make the Freshman recognize his place, but also to instill in him a wholesome respect for his University as an institution, and a decent regard for its regulations.

There is a time and place for everything; and Corcoran Hall at the Chapel hour is neither the time nor the place for a class war.

THE CHERRY TREE BOARD

With the appointment of six members of the Cherry Tree board, plans are rapidly getting under way for what promises to be a highly successful year for the annual. The publication was placed on a Board of Editors basis last year by the Publications Council, and the success which the year book enjoyed attests the wisdom of initiating this system. Numerous skeptics promised a dire fate for the annual run on this basis. Not only have these grave predictions failed to materialize, but on the contrary, the 1926 Cherry Tree proved to be better edited and managed than ever before in its existence. This year's board has a high mark to shoot at. We hope they'll put it across big!

CONGESTION

There should be some method of handling students in Corcoran Hall going to and from classes between 10:00 and 10:05 in the morning and between 6:00 and 6:05 in the afternoon.

Five minutes should be ample time to empty the classrooms and refill them if some system is put into effect.

Now the students coming to the classes crowd the halls and stairways, and the students leaving the classrooms add to the melee. When the shoving and pushing has stopped and the smoke has cleared away, the five minute interval is past, usually plus another five minutes; one's dignity plus one's hat is missing, and one gets a dirty look from the prof for coming in late to class.

A few simple directions, with the cooperation of the faculty and the students, would end this condition.

THE MEN'S G. W. CLUB

Have you ever heard of a pace-setter? That's the Men's G. W. Club. It sets the pace for the University, for the rest of us; and it's up to us to keep the pace.

The Men's G. W. Club, founded in 1923 by its now retiring president, carries on its rolls the names of 79 men who have won their letters in some University sport. Since its founding the Club has originated and sponsored the Annual Interclass Track and Field Meet, the Football Hop, and several other University activities. Each year it conducts these activities at its own expense.

Now we hear that the Club is going to buy athletic-event record boards for the gymnasium. These boards, recording through the years the interclass and intercollegiate sports, will keep individual achievements and University victories warm in the hearts of the students. Old grads returning 20 years from now will read again, and reminisce, saddened anew at the recollection of some defeat, or gladdened at the recollection of some glorious victory.

What work could be more praiseworthy? Certainly the Men's G. W. Club has our wishes for continued success.

Chips

Among those Washingtonians who clamored around the newspaper office buildings during the hectic days of the World Series, were some G. W.-ites whose gaze was not riveted to the scoreboard and radio amplifier. Parked in the very midst of the mob, they observed with cool and critical eyes those around them, and lent eavesdropping ears to odd bits of conversation from their unsuspecting neighbors.

The cause of it all was the assignment Mr. Chace gave the evening Journalism class. The students were trying to develop a "nose for news" by seeking a story from the crowd. Every corner was scanned for grizzled old-timers who had seen their day, or for little boys with dogs, or anything to furnish human interest. Mr. Chace reports a wide and varied collection of impressions.

At last! Efficiency has found its foot rest! This has been brought about through the medium of Professor Protzman. He has been using the waste paper basket for this purpose and aside from the fact that various complications arise, such as taking the basket with him when he arises, the Professor finds the basket quite adequate as a haven of rest for his feet.

Chaperoning may have its advantages, but when it comes to chaperoning an empty dormitory, "Well, never again," says Mother Hopkins.

Some are chips, others are not. Blushing Marguerite Daly fingers the proof that some are not. Must be the Hope diamond. Who is the boy?

Confusion resulted when Emily Pilkinton demanded her umbrella from Dean Rose, who was on her way to return it to the lender, Miss Hopkins.

"Divided we stand" can be well applied to the Freshman co-eds, who just can't agree as to who is the more charming, Professor Bement or Professor Smith.

Mixed dates. After waiting some time Marceline Gray was rather mortified Tuesday when the girls did not show up for the Pan-Hellenic meeting which she had set for Saturday.

The Blue Key has shown rather spasmodic activity during the last week. One luckless frosh, caught sitting on a back-campus bench with a girl was given three resounding smacks with a paddle, AND WAS PERMITTED TO GO BACK TO HIS SEAT.

Dan Boone, prominent campusite, saw a co-ed friend, Virginia Blackstone, talking to Miss Hopkins, Women's Athletic Coach. As a matter of greeting Dan said, "Hi, Virginia." But it happened that Miss Hopkins also bears the cognomen of "Virginia." She turned to Dan with a chilling look and answered, "Young man, I would have you know that I am to be addressed as Miss Hopkins." Dan is still squelched though he vehemently declares his complete innocence.

The hilarity of the freshmen who painted large red 30's on every available surface the night of the Roll Call was completely dissolved in elbow grease the next morning when they were instructed to remove all traces of the offending numerals.

Harold Lloyd's startling feat of carrying a battered headgear over the line unmolested by his opponents had nothing on the Blue Ridge half-back at the game Saturday who jogged down the field some sixty yards, touched safely with the pigskin, looked around for the deserved approbation—and discovered that the play had stopped just before he began his dash.

After tripping down the field some thirty yards, with the entire Blue Ridge and the rest of the G. W. team on his heels, Haul made one of the prettiest touchdowns even witnessed by the blasé rooters for the Crummen at the Central Stadium Saturday. We were told it was football, but it looked more like the end of a long distance track meet to us, with the leaders in full possession of the spoils.

"Go to headquarters" is advice that works even with traffic conditions "as is" in Washington. When the Dean took the honorable Mr. Dougherty across G Street at 21st last week for Roll Call, that gentleman got a first hand experience of the perils of G Street.

The next day there was an honest-to-goodness traffic cop at G. W.'s busiest corner, and we hear he's there to stay.

Echoes of the Roll Call: The spirit which prompted Prof. Doyle to accompany the lone victim of the Roll Call to the police station was indeed commendable, but even the most ardent of his admirers could not suppress a smile at the spectacle of the Adviser to Men's Organizations climbing into the Black Maria.

In the excitement of the moment at the Roll Call, Milton Dennis, hitherto of peaceful nature, was seen to slug a lady friend in the nose. Profound apologies and profuse explanation on Milton's part helped the situation but not the nose.

A reporter explained her inability to get news from the S. A. E. House in this manner—"during the day I can't get the information. At night I can't get the house." Naughty! Naughty! S. A. E.

NEW PLAN ADOPTED BY THE DIONYSIANS

Prof. Bolwell Gives Lecture at Initial Meeting of Club, Held Last Wednesday

A new plan was presented and unanimously approved by which the entire first semester is to be devoted to lectures on the French Classical Drama by authorities on that subject at the first meeting of the Dionysians held last Wednesday evening, October 13.

Professor Bolwell, as the first lecturer of the year, addressed the club on "The Classical Influence on Drama with Especial Emphasis on the French." His talk was reported to be entertaining and informing and made an encouraging start for the lecture series.

Dean Henning, Dr. Croissant and Professor Kayser are prominent among those scheduled to address the Dionysians during the fall and winter program. The next meeting of the club will be held on Wednesday evening, October 20th, when Professor Kayser will talk on "French Life in the 17th Century."

Delta Tau Delta recently celebrated the opening of their new house at 1727 Columbia Road with a Reunion Smoker. All of the activities and a host of Alumni combined to make the affair a real "housewarming." A jazzy orchestra and good eats completed the first entertainment in the new "Delta Shelter."

The Lambda Phi Mu Medical Fraternity held the most successful smoker in the past seven years of its history, at La Boheme, last Saturday night, October 9.

Dean Rose will be hostess at a tea on Wednesday, October 28th, from 4:30 to 6 in Building 8. The Kappa Deltas will assist. All women students are cordially invited to attend.

Acacia Fraternity gave a dance last Friday evening when with many alumni and guests, they stepped to syncopation furnished by Elmer Brown and his Troubadours. Dean and Mrs. Lapham were among the chaperons.

The honorary degree of LL. D. was conferred upon William Burdette Mathews, of Charleston, W. Va., by the Waynesburg (Pa.) College at its 76th annual commencement last June. Mr. Mathews was formerly Assistant Attorney General of his State, and is now Clerk of the Supreme Court of Appeals and Secretary of the State Board of Law Examiners. He is one of the charter members of the American Law Institute and is a member of the local, State and American

Patronize Our Advertisers.

Bar Associations. Mr. Mathews received his LL. B. and LL. M. in 1891 and 1892, respectively, from the George Washington University.

The following members of Law '91 are included in the latest edition of "Who's Who in America": General Avery D. Andrews, of New York, Judge John H. Campbell, of Arizona, Clarence W. DeKnight, of this city, Wm. Burdette Mathews of West Virginia, and Harry Turner Newcomb of Connecticut and New York.

Miss Thelma Halley and Mr. Paul Loehler were married on Tuesday the 12th at the Emanuel Baptist Church. After the wedding the couple left for New York, where they took the boat for California. Mrs. Loehler is a member of Zeta Tau Alpha sorority, and her husband is a member of Acacia fraternity.

Zeta Tau Alpha is giving a subscription dance in Corcoran Hall, 1, on Friday the 22nd, from 9 to 12. The

music is furnished by Happy Walker's orchestra, and with tickets at a dollar a couple, a good crowd is anticipated.

The Alpha Delta Theta sorority was at home to about fifty rushees and guests Sunday afternoon at a tea given at the home of Miss Reta Denicke.

Wendell Scott and Clyde Schnep, of Ohio Wesleyan University have affiliated with Epsilon Chapter of Sigma Chi fraternity.

William F. Williamson was formally initiated into Theta Upsilon Omega fraternity at a regular meeting held last Sunday afternoon.

Alpha Delta Pi entertained at bridge in the fraternity rooms on Friday evening.

Alpha Delta Pi opened the rushing season with a tea in the fraternity rooms on Monday, October 18, from 4 to 6 o'clock.

Fifty Girls Report For Hockey Practice

Assistant Managers Appointed For Year; Inter-Class Series to Be Arranged

More than fifty girls have reported for hockey practice during the last week. The squad, under Miss Hopkins' direction, plays on the Ellipse every Wednesday, Thursday and Friday from 2 to 3 o'clock. Every Tuesday at 1 o'clock there is an instruction talk given by Miss Hopkins in the gym, when she explains and diagrams the various plays of the game for the new girls.

The three new assistant managers have been appointed for the year. They are Alice Adams, Hilda Wrenn, Jane Blackstone, and with the direction of Margaret Schwartz, manager of hockey, it is expected that a fine line-up will be organized.

Miss Hopkins hopes that with regular and serious practice it will be possible to select members of the varsity and class teams soon. The latter will play an inter-class series of games before the season closes late in November.

GIRLS' FENCING TEAM OPENS SEASON SOON

Preparations are being made by the managers of girls' fencing for the coming season, which will open in about two weeks.

The practice will be under the direction of Professor Lanzilli, who coached the team last year.

Promising material is expected this year from Western High School, for several of the present freshmen won major letters in the sport last year under the same instructor.

It is hoped that sufficient interest will be shown to stimulate keen competition.

Further announcements and information will be posted on the bulletin boards.

CRUMMEN BEAT AMERICAN UNIV.

Outclass Light Eleven From Wesley Heights by 28 to 7 Score

SAWYER'S RUN FEATURES

American Fullback Intercepts Pass And Races 40 Yards For Team's Only Tally

George Washington's football huskies literally romped to victory over their lighter foes from American University last Wednesday afternoon on Potomac Park field, winning by a 28 to 7 score.

Although outclassed in all departments it was left to American University to provide the feature play of the game. It came in the second quarter when Sawyer, stocky fullback, intercepted a pass from Sapp, Hatchetite captain, and raced through a broken field for 40 yards to a touchdown. Schloss' toe sent the oval over the bar for the extra point. That marked the only scoring by the Springston-coached men.

Coach Crum started his second team with the exception of Carey and Captain Sapp. The Hatchetmen elected to receive the kick-off and after successive first-downs by Sapp and H. Clark, managed to get the ball within five yards of their opponents' goal where they lost it by a fumble.

Sawyer immediately punted to mid-field where Sapp received it and was downed in his tracks. Led by Sapp and Carey the Crummites began their march down the field sweeping all before them until the redoubtable Sapp crossed the goal line for his team's first marker. Lyons kicked for extra point.

Axemen Launch Aerial Attack

In the first part of the second quarter the Buff and Blue uncovered a scintillating overhead attack. Here again Sapp came to the front by a 35-yard forward to Haun from the 40-yard line bringing the ball within the shadow of the goal post. Sapp immediately twisted his way through tackle for his second touchdown. Lyons again kicked goal. It was toward the latter part of this quarter that Sawyer made his fine play.

At the beginning of the second half Coach "Maud" Crum inserted his first team. Coleman and Stehman soon carried the oval to American's 5-yard line where Stehman crossed the goal behind excellent interference for George Washington's third touchdown in as many quarters. Stehman added the extra point by booting the ball over the bar.

The Hatchetites' fourth and last touchdown came in the final period when Coleman broke through the American defense. No sooner had he crossed the line, however, than he fumbled and lost the ball. After the heap of players had been cleared away it was found that Wisener, smiling G. W. center, had recovered the oval and the six points were chalked up for his team. Stehman made the extra point as the game ended.

GIRLS' RIFLE SEASON OPENS WITH BIG BANG

Forty-five Girls Turn Out For Initial Meet Held Last Thursday

Girls' rifle opened its season on Thursday, October 14, with a meeting in Corcoran Hall, at which thirty-five new girls and ten members of last year's squad turned out, from whom is expected a splendid varsity team. Practices are held Tuesday, Wednesday, and Thursday from 11:30 to 2:30 for all new girls, and on Saturday for those girls who show signs of being varsity material. There will be practice on Tuesday night provided enough girls are interested in night practice, according to Ermytrude Valden, manager. The prospects are good for a very successful season.

The girls will make a trip to Philadelphia in February to shoot against Drexel Institute. The season will close with a triangle, shoulder-to-shoulder match between Drexel, George Washington, and the University of Maryland on the local range in April. A tentative schedule has been arranged as follows:

December 11, University of Maine—telegraphic.

December 18, University of West Virginia—telegraphic.

January 15, University of Michigan—telegraphic.

February 6, University of California—telegraphic.

February 12, Drexel Institute—at Philadelphia.

February 19, Cornell University—telegraphic.

February 26, University of Illinois—telegraphic.

February 26, Penn State College—telegraphic.

Other matches will be arranged later. All girls interested in being assistant managers of rifle should see Ermytrude Valden.

G. W. U. GRIDMEN SWAMP BLUE RIDGE TEAM 40-3

(Continued from page 1.)

Late in the second period the Buff and Blue again crossed the visitors' goal line. A long running pass, Coleman to Lehman, did the trick. Lehman passed to Carey for the additional marker.

The second half was scarcely opened when Coleman tossed a long pass from the 40-yard line. It fell in Perry's grasp, and he cleared the last white line before being downed. The pass after touchdown failed.

At this juncture, Blue Ridge made several substantial gains via the aerial route. A 25-yard penalty imposed on the G Streeters brought the ball into the Hatchet territory. Slaughter then booted his field goal from the 38-yard stripe.

In the final period the Crummen added three more touchdowns to their total. Lehman went through tackle for the first of the trio. He dropped the goal. A nice pass, Sapp to Haun, was good for another six-pointer when Haun ran 25 yards after receiving the ball. Point after touchdown was registered by the Lehman-Haun overhead route.

Sapp, 30 yards distant from the enemy goal, connected with Lehman's heave, sprinting across the line for the Axemen's sixth score. A short pass to Haun accounted for the extra point.

The Hatchets missed several golden opportunities to amass an even greater score. Stehman's fumble in the opening quarter served to delay the first tally. Several stiff penalties incurred by the locals hampered their work. Two more potential touchdowns were lost in the final period when passes failed to materialize.

COMMITTEE APPOINTED TO RUN FROSH BALLOT

A student committee has just been appointed to supervise Freshman elections, according to Prof. H. G. Doyle. The committee, composed of Henry James, William Quarton, and Jeanne Gravatte, will meet this week to devise plans for the balloting.

The three committee members were members of the President's Student Advisory Council last year.

CHEMICAL-ALCHEMIST TO HOLD JOINT SMOKER

The Alchemists and the G. W. Chemical Society will start their year's activities with a joint smoker for all students of the University interested in chemistry, on Friday, October 22, at 8 o'clock, in Stockton Hall.

Prominent Alchemists and past presidents of the G. W. Chemical Society will give brief talks.

COURT PLACES OPEN

Places are open for about five assistant managers of basketball. Written application should be filed with the manager, George Hamilton Schwinn, 1731 Columbia Road N. W., stating department of the University of the applicant, class, and previous experience with basketball.

INDIANS NEXT ON GRID SCHEDULE

Team Journeys to Williamsburg, Va., for Game Next Saturday

STEHMAN MAY BE OUT

Matsu, Star Quarterback of the William and Mary Team, Also On Injured List

George Washington's gridiron warriors will journey to foreign fields for their encounter with the clever William and Mary College eleven of Williamsburg, Va., next Saturday. As judged from their recent victories over the American University and Blue Ridge College aggregations the Hatchetmen may be expected to give all they have in order to make it three in a row.

It can not be said that the Indians will be "set-ups" for Coach Crum's outfit, for the former boasts of several stars. It is quite possible that the Virginia team will be without the services of its star quarterback, Matsu, who does all of the punting and goal-kicking. He was unable to play last Saturday against Harvard due to a leg injury which may account for the Crimson victory.

Aerial Game Likely

The game next Saturday is likely to be featured by the over-head attack on the part of each team. The Crumites have perfected that end of their attack and worked it successfully against Blue Ridge last Saturday. Eason and Ryan, left end and quarterback, respectively, of the Virginians, is the passing combination that the Washingtonians will have to watch.

J. Wilder Tasker, William and Mary coach, will also have Bauserman, high point scorer of the team, Davis, a shifty end, and Wallick, clever halfback, to call upon to stop the visitors in their tracks.

The lines, strong on both teams, will average 190 pounds, but with Matsu out, the Indian backfield will hardly measure up to standard. Stehman, star punter and high point man of the Hatchet team, received a serious leg injury in last Saturday's contest. At press time it was not known whether or not he would be in condition to play against the Indians.

Sorority Presidents Meet

There will be a meeting of sorority presidents on Thursday, October 21st, in Corcoran Hall, 17, at 11:05 a. m.

Tennis Tournament Starts Second Lap

Six Matches to be Played This Week In Battle for Third Round of Girls' Series

Play on the second round of the fall Women's Tennis Tournament started Monday, with twelve of the original forty contenders still going strong. Now that the first stage of elimination is over, hard, serious play and close scores are expected as the winners battle for places in the third round.

The matches to be played this week are as follows:

Miriam Davis vs. Hattie Teachout; Betty Kronman vs. Elizabeth Chickering; Marian Phelps vs. Mary Ryan; Phoebe Morehead vs. H. Somervell; Helen Staples vs. Frances Walker; Edith Petrie vs. Louise Omwake.

HARRIERS TO RACE IN TRIANGULAR MEET

Hatchetmen, William and Mary and Richmond to run at Williamsburg Next Saturday

The George Washington University harriers will tackle William and Mary and the University of Richmond in a triangular cross-country meet at Williamsburg, Va., on Saturday, October 23, at the same time that the football team meets William and Mary College in one of the biggest games of the season.

Those trying out for the Hatchetite team are "Domy" Domigan, Captain of cross-country, Hurd Willett, Patruska, Captain of the University of Maryland harriers last year. Ralph Brown, Fugitt, Volland, Matlick, Rosen, Pomeroy, Johnson, and Baker have also signed up for try-outs. The prospects for the team this year seem very favorable because of the large percentage of experienced men out. The manager is trying to arrange an attractive schedule for future meets.

Try-outs were held Saturday and Sunday in Rock Creek Park, and the result will determine what men will leave Friday for Williamsburg.

NEOPHYTES

Due to the inability to get a complete list of fraternity pledges the list was omitted from this edition. All fraternities having additions or changes in their lists should have same in Hatchet office not later than Saturday night.

STRONG LINEUP FOR COURT TEAM

Nearly Entire Football Team Will Be Out For Basket Practice

START WORK NOVEMBER 9

Teams Played Best in Country; Lemon to be Coach and Schwinn Manager

With practically the same team as last year, and with additions which will materially strengthen it, George Washington is assured one of the strongest basketball teams in its history this winter, is the announcement of Coach Jimmy Lemon and Manager George Hamilton Schwinn.

Except for the absence of Dick Wheeler, who is not in school this winter, and Kendall, the lineup will be similar. Wallace, Banton, Levin, Allshouse and Sapp will play, and nearly the entire football team will report. Among the outstanding players will be Perry, Bowen, Veithmeyer, Carey, Lopeman, Stehman, and Lyons. Jimmy Lemon, former Princeton star, will pilot the team again, and George Schwinn, who was assistant manager last year, manages the team.

No announcement is made of the schedule, but the teams played will be among the best in the country, and a fine showing is expected. Practice will begin Monday, November 9, and regular practices will be held on Mondays and Fridays at 7:30 p. m. Candidates are requested to bring their own equipment, for none will be issued at that time.

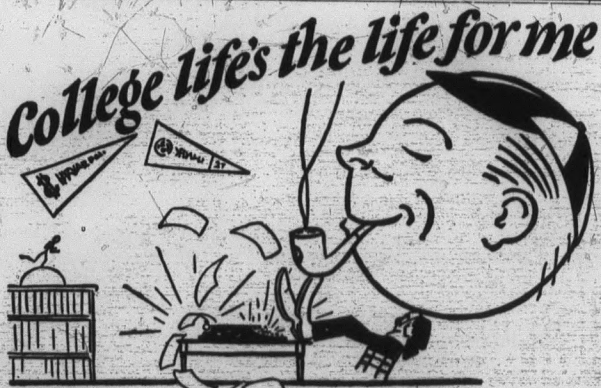

Cooperation of the fraternity teams in the interfraternity series of basketball games is requested. Schwinn and Lemon said, so that all the fraternity games will be ended as soon as possible. It is also expected that the fraternity teams will furnish material which will strengthen the squad.

Because of the early start and the amount of material a very successful year is expected, and the coach and manager are especially anxious that there be a large number out for the squad.

Camels made cigarettes the popular smoke

THROUGH sheer quality, through a never before known smoking enjoyment, Camels won the world to cigarettes. Camel was the first and only cigarette that combined all the goodnesses of the choicest Turkish and Domestic tobaccos, and Camel became the greatest smoke word of all ages. No tobacco name compares with Camel.

Camel won and holds its overwhelming preference through indomitable tobacco quality. Only the choicest Turkish and Domestic

tobaccos are rolled into Camels. These fine tobaccos receive the skilful blending that only the world's largest tobacco organization could give. Nothing is too good or too expensive that will make Camels, regardless of price, the utmost in cigarettes.

If you have never yet tried Camels, a new sensation in smoking pleasure awaits you. The sensation of the choicest, the most perfectly blended tobaccos that money can buy. Have a Camel!

Freshmen Girls Hear Story of Adventures

Kate Stevens, Famous Educator, Tells of Extensive Travels

Kate Stevens, well known woman educator of London, addressed the freshman women last Tuesday, at their weekly meeting on the subject of her extensive travels. Miss Stevens is famed as the first woman honorary member of the National Education Association, and the organizer of the first business high school in England. Miss Stevens has traveled widely for the past few years. She is now seventy-two years old and to use her expression, still "going strong." As an average person is allotted about seventy years of life, Miss Stevens decided to celebrate her seventieth birthday by flying in an aeroplane from England to France.

In her talk, Miss Stevens told of her thrilling trip to Africa, after the World War, in search of her nephew, who had disappeared. He was finally found in a small village where he had been ill. The trip furnished many experiences for Miss Stevens.

SPANISH PAPER AIDS STUDY OF LANGUAGE

"La Prensa" Offers Prizes Annually For Excellence in Spanish

La Prensa, the Spanish newspaper, offers a valuable opportunity to those students interested in gaining a practical reading knowledge of Spanish. While getting the news of the day, the student is at the same time enabled to increase his vocabulary and add to his facility in class work. Order blanks and further information concerning La Prensa may be obtained from Prof. Doyle.

Awards ranging from \$10 to \$250 are given annually by La Prensa for excellence in Spanish studies. Students interested in entering the contest should write for details to the Editor, El Eco De Las Aulas, New York, N. Y.

LOST

Revival Number of Ghost November 20

Advertising, Publicity, Circulation And Cartooning Places Still Open

The first number of the Ghost, to be known as the Revival Number, is rapidly being compiled and edited and will be ready for distribution on November 20. Meetings of the G. W. Press Club are being held each week.

Several positions are open on the business side of the publication, especially in local advertising, publicity, and circulation. All persons who desire to try out for these positions should get in touch with Campbell Starr or Howard Baggett at the Hatchet Office. Lucrative percentages are being offered advertising solicitors.

Rowland Lyon, famous campus artist, is in charge of the cartooning for the issue. All students who are interested in work of this sort should see him at the Hatchet Office at once for a conference on the style of work desired and should submit samples of their work if possible.

EUROPE EXPERIENCES TOLD AT ASSEMBLY

Dorothy Dougherty and Myrtle Posey Tell of Their Trips

Two G. W. co-eds related some of their experiences of their stay in Europe during the past summer, at the Assembly exercises Monday, October 4th.

Dorothy Dougherty said that Paris was very interesting, but in order to make a real study of the French people one must visit the provinces. She spent two months at Montpellier about thirty miles from the Mediterranean Sea. Nimes and Cette were mentioned as other towns of unusual interest.

Myrtle Posey briefly outlined her entire journey. She mentioned the traffic conditions of Paris, the feeling of uncertainty while traveling in Italy and the beauty of Switzerland. Other countries visited were Germany, Holland, Belgium, Scotland, and England. The exercises were concluded by singing some of the new University songs under the leadership of Mr. Harmon, accompanied on the piano by Prof. Crandall.

SOPHS-FROSH TO SETTLE FUED IN "TUG O' WAR"

(Continued from page 1.)

A well-known local sports writer has consented to act as referee, but his identity is being kept secret until the battle starts. Several other officials will be present to see that the rules are strictly enforced.

Rules which have been adopted by the committee state that only bona fide sophs and frosh will be allowed to participate in the struggle. Each class has drawn up a list of 30 men to uphold the honor of their group. These lists have been checked by the Registrar's Office, thus insuring eligibility of the contestants.

Rigid Rules Drafted

Gloves will be allowed, but no member of a team will be permitted to have spikes or cleats on his shoes. No knots will be tied in the rope except those ordered by the committee. The contest will be over when one team has pulled all members of the opposing team across the dividing line.

It has been definitely agreed upon that if the Sophmores win the set-to, the hated Freshman Rules will remain in full force until after the game with Catholic University on Thanksgiving day. Should the Freshies be successful in defeating their opponents, these regulations will be immediately lifted. In either case, win, lose or draw, the Freshmen will continue to wear their caps until after the Catholic University game.

A huge crowd is expected to witness the contest, and a special detail of park police will preserve order.

STUDENTS SENT TO G. W. FROM ALL OVER WORLD

The latest registration report shows a total of 4,735 students in all departments of the University, 3,717 in the Department of Arts and Sciences, 300 in the Medical School, and 38 in the School of Pharmacy. This is an increase of 200 over last week, 37 in the Law School and 167 in the Department of Arts and Sciences.

Austria and the Netherlands have been added, since last week, to the foreign countries represented at George Washington. This brings the total of countries to 23, sending approximately ninety students. This foreign representation covers many European, South American and Central American countries, China, Japan and Nova Scotia, Cuba, the Philippines and every State in the Union are represented, Oregon and Oklahoma being the last to appear.

MINISTERS TO MEET

The Ministerial Association of George Washington University will hold its first regular meeting, October 26, at 8 o'clock, in room 27, Corcoran Hall. Election of officers for the current year will be the principal matter of business at this meeting.

Any students who are contemplating entering the ministry or devoting their lives to any type of Christian work are invited to attend the meetings, it is announced.

LITERARY SUPPLEMENT

The issue of November 3 has been set as the date for the Literary Supplement of the University Hatchet. Students having short stories, essays, sketches, poetry, or other literary work, should leave it at the Hatchet Office at once, addressed to the Literary Editor.

VARSITY GOLF TEAM GAINS RECOGNITION

Amateur Tourney This Fall to Choose Players for Inter-Collegiate Meets

Devotees of golf in the University announce that George Washington is to have an official men's golf team this year. For a number of years the golf enthusiasts have formed unofficial golf teams and attempted to hold matches with teams from the University of Pennsylvania, Catholic University, Georgetown University, and other colleges.

Two years ago a team made up of James Davis, R. H. Brown, Joseph Bloom and John F. Brawner, the latter at that time Junior District Golf Champion, achieved brilliant results in intercollegiate contests. Two of the members of this team were disabled last year, however, and little was accomplished. Several of the old players are back this year and with this excellent material as a foundation, and with the encouragement of official recognition, the team hopes to rank with the best in the country.

A Fall Tournament

Plans are indefinite, but the initial event will probably be an amateur tournament, to be held this fall. The purpose of this tournament is to bring to light the better players, ten of whom will form a team to represent G. W. in matches with such teams as Yale, Johns Hopkins and Pennsylvania.

Definite plans will be announced within a few weeks. Meanwhile all amateur golfers attending the University are urged to come out for this activity. Any one who is interested should send his name, address and telephone number to Joseph Bloom, 452 Newton Place N. W., or call Adams 6342.

DR. WILFLEY SPEAKS ON DISCIPLINE NEEDS

Mental and Moral Discipline is to be Gained Through Education

The need of discipline in all phases of life was stressed by Dr. Wilfley, of the Vermont Avenue Christian Church, speaker at the Friday morning chapel.

Mental and moral discipline should be the aim of every person, and can be gained through the medium of education, Dr. Wilfley pointed out. Compulsory physical culture should be adjusted to every student, and bodily discipline, which is equally as important, can be gained.

He exemplified the lack of common respect and observance of law by citing the tragic death of Detective Scrivener.

"I will enforce the law myself, and help every one else to enforce it," said Dr. Wilfley. He ended his address by a prayer.

ANNOUNCE VACANCIES IN MEN'S GLEE CLUB

Tenors Needed; Trip to be Made This Season

Tenors are particularly needed by the Men's Glee Club this year, although there are a few vacancies in other sections, according to Bob Harmon, the director. In numbers the club is already greater than last season, but the balance is not so well established. The result of the rehearsals so far has been very encouraging, and the expectations of those connected with the club are high.

Rehearsals are conducted from 7 to 8:30 p. m. on Tuesday and Thursday nights, and thus will not conflict with class or laboratory periods. Those who are interested are urged to report for the rehearsals.

Plans are under way for a trip, and if possible the Glee Club will make an appearance in a Washington theater.

MEN'S DEBATE TRIALS WILL BE HELD TONIGHT

Tryouts for the Varsity Debating Team will be held this evening at 8 p. m. in Stockton Hall. Although five men have already been chosen, it is planned to have a large squad this year, and there are plenty of places still open for those interested in trying out for the team.

A debate which has been scheduled with Catholic University will take place sometime after Christmas.

"Untz" Brewer Made Frosh Grid Coach

Fifteen Men Report for Initial Workout at Potomac Park Last Wednesday

The Freshman football squad, under Coach "Untz" Brewer, newly appointed freshman grid coach, held its first workout in Potomac Park last Wednesday afternoon. About fifteen men reported for the first trial.

Coach Brewer is the third addition to the coaching staff of the University. He was an assistant coach under "Bill" Quigley, former G. W. U. grid mentor during 1923, the latter's last year here. Brewer is a former University of Maryland football star.

According to Coach Crum, the Freshman team will play Catholic University and University of Maryland Freshmen, St. John's Academy, Devitt Prep., Emerson Institute and American University. The team expects to make at least one trip. No games will be played for several weeks, however, but the team will be brought forward as rapidly as possible.

The squad will workout on the Potomac Park field at 2:30 five days a week. All freshmen interested in football are urged to report.

Hurled 25 Stories to Cement—Picked Up Unbroken!

Where the Pens Landed

Traffic stopped to watch this test of the Parker Duofold Non-Breakable Barrel

Point Guaranteed 25 years for mechanical perfection and wear

TRAFFIC stopped as big Frank Ketcheson, Supt. of Steel Construction for the George A. Fuller Co., hurled two Parker Duofold Pens from his perilous foothold on a slender steel girder atop of the new Stevens Hotel, Chicago.

One pen struck on asphalt, the other on cement—away they bounded into the air, then landed in the street—unbroken!

We wanted to give the public proof more convincing than any guarantee. So we have shown by a series of heroic tests that the new Parker Duofold Pen with Permanite barrel does not break. Be sure no fall on corridor or classroom floor can harm it.

Get this sturdy black-tipped lacquer-red beauty at any good pen counter.

"Permanite"—the new Non-Breakable Material of which all Parker Pens and Pencils are now made—is lustrous, light-weight, and does not break, fade or shrink
